

Create Your Own Virtual Exhibit!

The Grand Rapids Public Museum is the steward of a Collection of over 250,000 artifacts and scientific specimens. You can use the digital Collections to explore, save, comment on and share your favorite objects!

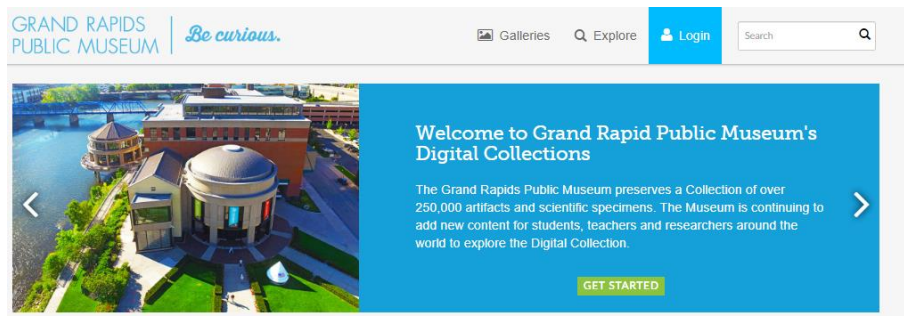

Create your own virtual exhibit on the digital Collections website. There are objects to match almost any interest or topic!

Ideas for your exhibit:

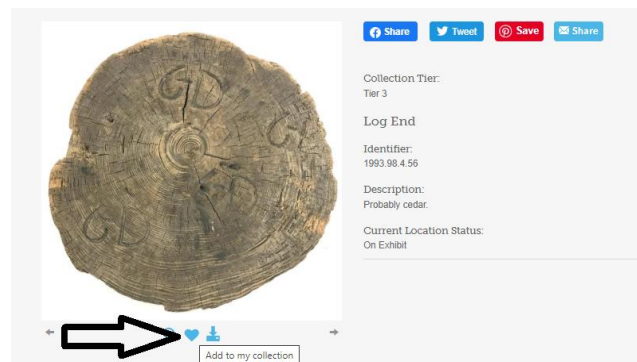

- Create an exhibit of your 10 favorite objects
- Create an exhibit that showcases your interests or hobbies
- Create an exhibit to teach the community about your favorite subject

Directions:

1. Visit GRPMCollections.org and click "Login" to create your account.

2. Search for items you are curious about and click the heart below the picture to add it to your collection.

3. Name your collection and give it a description. *Clicking public gives the GRPM permission to share this content on the GRPM's social media channels and websites.*
