

How to Start Your Own Collection

Visit GRPMCollections.org and click "Login" to create your account.

Search for an item you are curious about and click the heart below the picture to add it to your collection.

Name your collection and give it a description. Click “Public” access and your digital exhibit can be shared by the Museum!

Clicking public gives the GRPM permission to share this content on the GRPM's social media channels and websites.

Add item to my collection
