GRAND RAPIDS
PUBLIC MUSEUM

Be curious.

grpm.org

Dear partners of the Grand Rapids Public Museum,

For over 170 years, the GRPM has served as a cultural cornerstone of Grand Rapids and West Michigan reaching over 200,000 visitors annually through exhibitions, educational programs, and community events that focus on science, history, and culture. As Michigan's oldest Museum, we inspire curiosity and learning by providing access to our Collections of over 250,000 artifacts and specimens.

I invite you to support the Grand Rapids Public Museum as a sponsor.

With your investment, the GRPM will continue to deliver leading-edge, accessible educational experiences to learners of all ages. Whether you're drawn to certain exhibits, feel inspired by community programs, or love to celebrate at fundraising events, your support helps us preserve and share stories that resonate with our community and each other as citizens.

Thank you for considering this partnership with the GRPM. Your support will make a lasting impact on the West Michigan community, sparking curiosity about history, science, and culture for generations to come.

With gratitude,

Dale A. Robertson
President & CEO
Grand Rapids Public Museum

EXHIBITS

COMMUNITY PROGRAMS

STEAM

STEAM programming at the GRPM inspires guests of all ages to explore the worlds of science, technology, engineering, art, and math. From nature, to outer space, to innovation, there is truly something for everyone.

Culture

West Michigan is a beautiful mosaic of cultures. Throughout the year the GRPM celebrates the various cultures represented in our community and the role they have played in making Grand Rapids what it is today.

Camps

During the summer the Grand Rapids Public Museum transforms into a unique learning lab. Preschool through high school campers are inspired to be curious as they explore the Museum's collection and engage in one of a kind learning experiences.

Arts & Entertainment

Guests can experience the Mighty Wurlizer Theater Organ and Roger B. Chaffee Planetarium like never before with our one of a kind concerts. Local graphic artists and musicians come together to create an immersive experience in our planetarium for our Concerts Under the Stars series. Guests will transport back in time as they experience a silent movie accompanied by the Theater Organ.

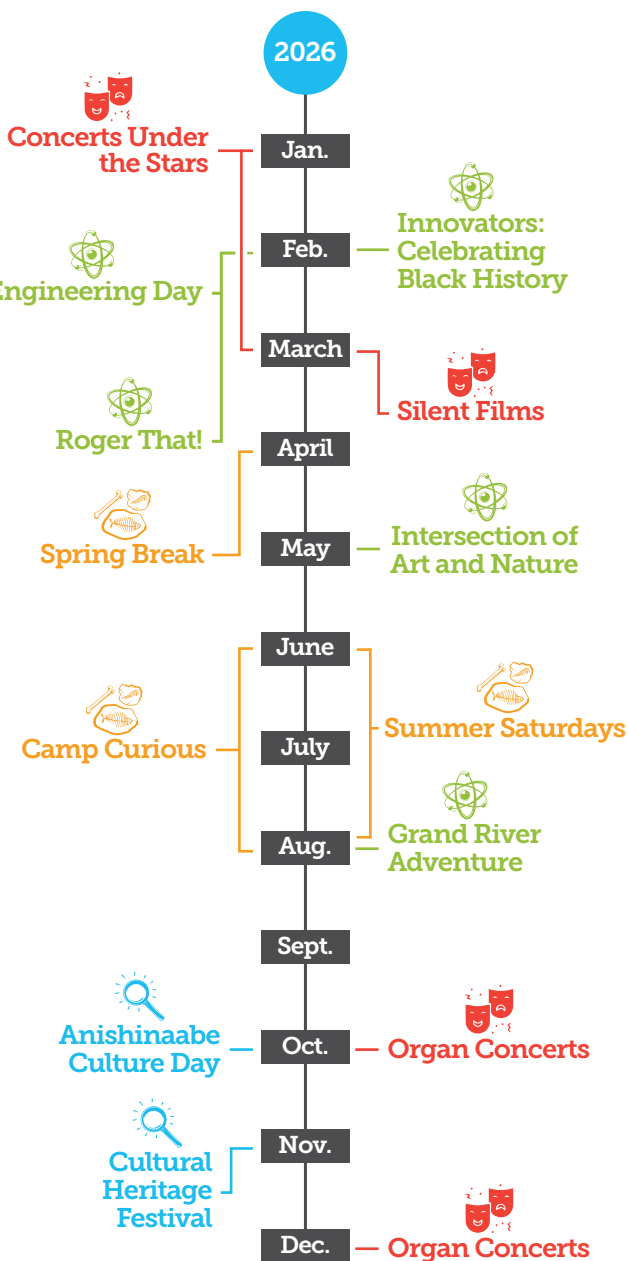

Accessibility

The GRPM strives to be a museum for everyone. In addition to sensory bags and designated quiet spaces that are available everyday, multiple programs are offered focused on making the Museum an inviting place for guests with sensory needs, including monthly Sensory Sundays.

EDUCATION

Education at the GRPM impacts 45,000 students annually.

At the Museum students are led through engaging programs and activities by GRPM teachers that allow them to actively construct their own understandings. The educational programs are centered on a constructivist, student-centered learning philosophy that aims to highlight unique historical artifacts and scientific specimens to provide concrete connections to classroom topics at local, national and global levels.

Programs are aligned with Michigan Curriculum standards, and are kept at a low price to allow for the broadest possible school participation. An educational sponsorship helps to keep the cost low by providing underwriting support to bridge the gap between actual costs and program fees.
